## *“Colours of my world”- Art & Literary exhibition*

Aspire to Inspire Together is a new autism charity operating in the Fleurieu region. The charity has come together through the hard work of a number of people who are incredibly dedicated to increasing the wellbeing and opportunities of local children with autism, their families and professionals working with the ASD communities.

Currently we offer a bi-annual awareness and educational conference, last held in Victor Harbor in 2016. The purpose of the conferences is to provide quality and value for money training and development for parents, carers and professions in our community, and connect with the autism community in our region to look for other ways of supporting the needs of people on the autism spectrum.

We are excited to announce a new bi-annual event starting August 2017.

A 9 day arts and literary exhibition, offering an opportunity to inspire, share and celebrate with the autism community.

This year’s theme is *“Colours of my world”* An exhibition celebrating the diversity and unique talents and insights by artists from the autism spectrum community.

Go to the website [www.aspire2.org.au](http://www.aspire2.org.au) to see the current list of workshops on offer. Expressions of interest are now open. Submit your application to join the list of workshops offered.
